*Published by Taylor Publishing Company and the
McAlester High School Annual Staff.*

My Best Friend

*For all the times you've been there
For all the times you've cared
For all the good and bad times
The two of us have shared.*

*For all the tears you've cried for me,
For all the talks we've had,
For all the times I was feeling happy, or
When I was feeling sad.*

*Our friendship will be there
It will be there 'til the end.
Even though our future
Is just around the bend.*

*The moments that we've shared
Are precious and too few,
I know that down deep in my heart
That God must have sent me to you.*

*The friendship and love between us
Will be there 'til the end.
I just wanted to let you know
That you are still my "Best Friend."*

— Rondell Johnson

*This Time is Ours ... to cherish in our memories, to call our own. Whether you're a Senior or a Freshman; This Time is **YOURS**. No matter what you do or where you go later in life, you'll remember **THIS** time. With this book, we hope to help you remember this time as your Time.*

Super Senior Achievements at MHS

The signing of my letter of intent was one of the biggest moments in my life. It was a decision that I gave a great deal of thought having to consider schools like Stanford, OSU, Missouri, Texas, Arizona State, Purdue, Arkansas, Notre Dame and others. The assembly really made this stand out as a highlight in the entire recruiting hype. My decision lead up to my signing with the Oklahoma Sooners. Being recruited by several schools made my efforts on and off the field seem very worthwhile.

SURVIVING — the ABC Movie of the Week shown nationally Sunday February 10, 1985 featured 2 McAlester High School Seniors, Shonda Lee and Greg Key. They auditioned in Oklahoma City along with other hopefuls and were fortunate enough to be chosen. They said it was a great opportunity and a chance of a lifetime to be able to work with stars like Marsha Mason, Ellen Byrnstyne, Zack Gallagan, and Mollie Ringwald. They both feel that being in this movie has been a giant step towards their star-studded careers.

Kenny Pierce has spent practically all his life reading, and the books have paid off. Although he is involved in extracurricular activities such as basketball, he is best known for his intelligence. His 231 PSAT score was second best in state, and he is one of the few students nation wide to register a perfect 800 SAT verbal score. One of 52 juniors in the nation accepted for Telluride association's summer programs, he plans to attend Princeton University in New Jersey.

To a very special friend,
I think of you often,
Whether I'm down and blue or full of excitement
My love for you keeps me going.

Your face hides in the shadows of my heart,
To build my spirits and give me hope for the future.
Your caring smile and loving touch
Can turn me from depression to bursting enthusiasm.

I love you dearly for everything you are,
And I hope in some way this will let you know how
much you mean to me.

I shall always remember your true friendship,
And shall forever cherish this love I have for you.

Faithful Friends

You love them
You hate them
You laugh with them
You cry with them.
Through the good and the bad,
Friends are always there.

Today they ignored you
Friday they went out without you
Last week they despised you
And told secrets behind your back.
But through it all you loved them,
Because friends are always there.

They've cried on your shoulder
And sometimes beat on it,
But you were never thanked.
Your feelings were never noticed,
And your sympathy was taken for granted.
But just when you really needed them
They came up with that loving smile,
Because friends are always there.

Remembering when you first met them,
You wonder why they ever liked you.
You made a total fool of yourself,
And you even disliked them at first.
But they kept calling
And you kept answering
And before you knew it they were like family.
Now your life would be so empty without them,
Because Friends Are Always There!

This Time is Ours

This is our time to share the good times and the bad. To think of the past and reflect on how we've grown.

This time is ours to remember.

This is our time to enjoy life. To stretch to the very limits of our power. This is a time of trial, an experiment of life.

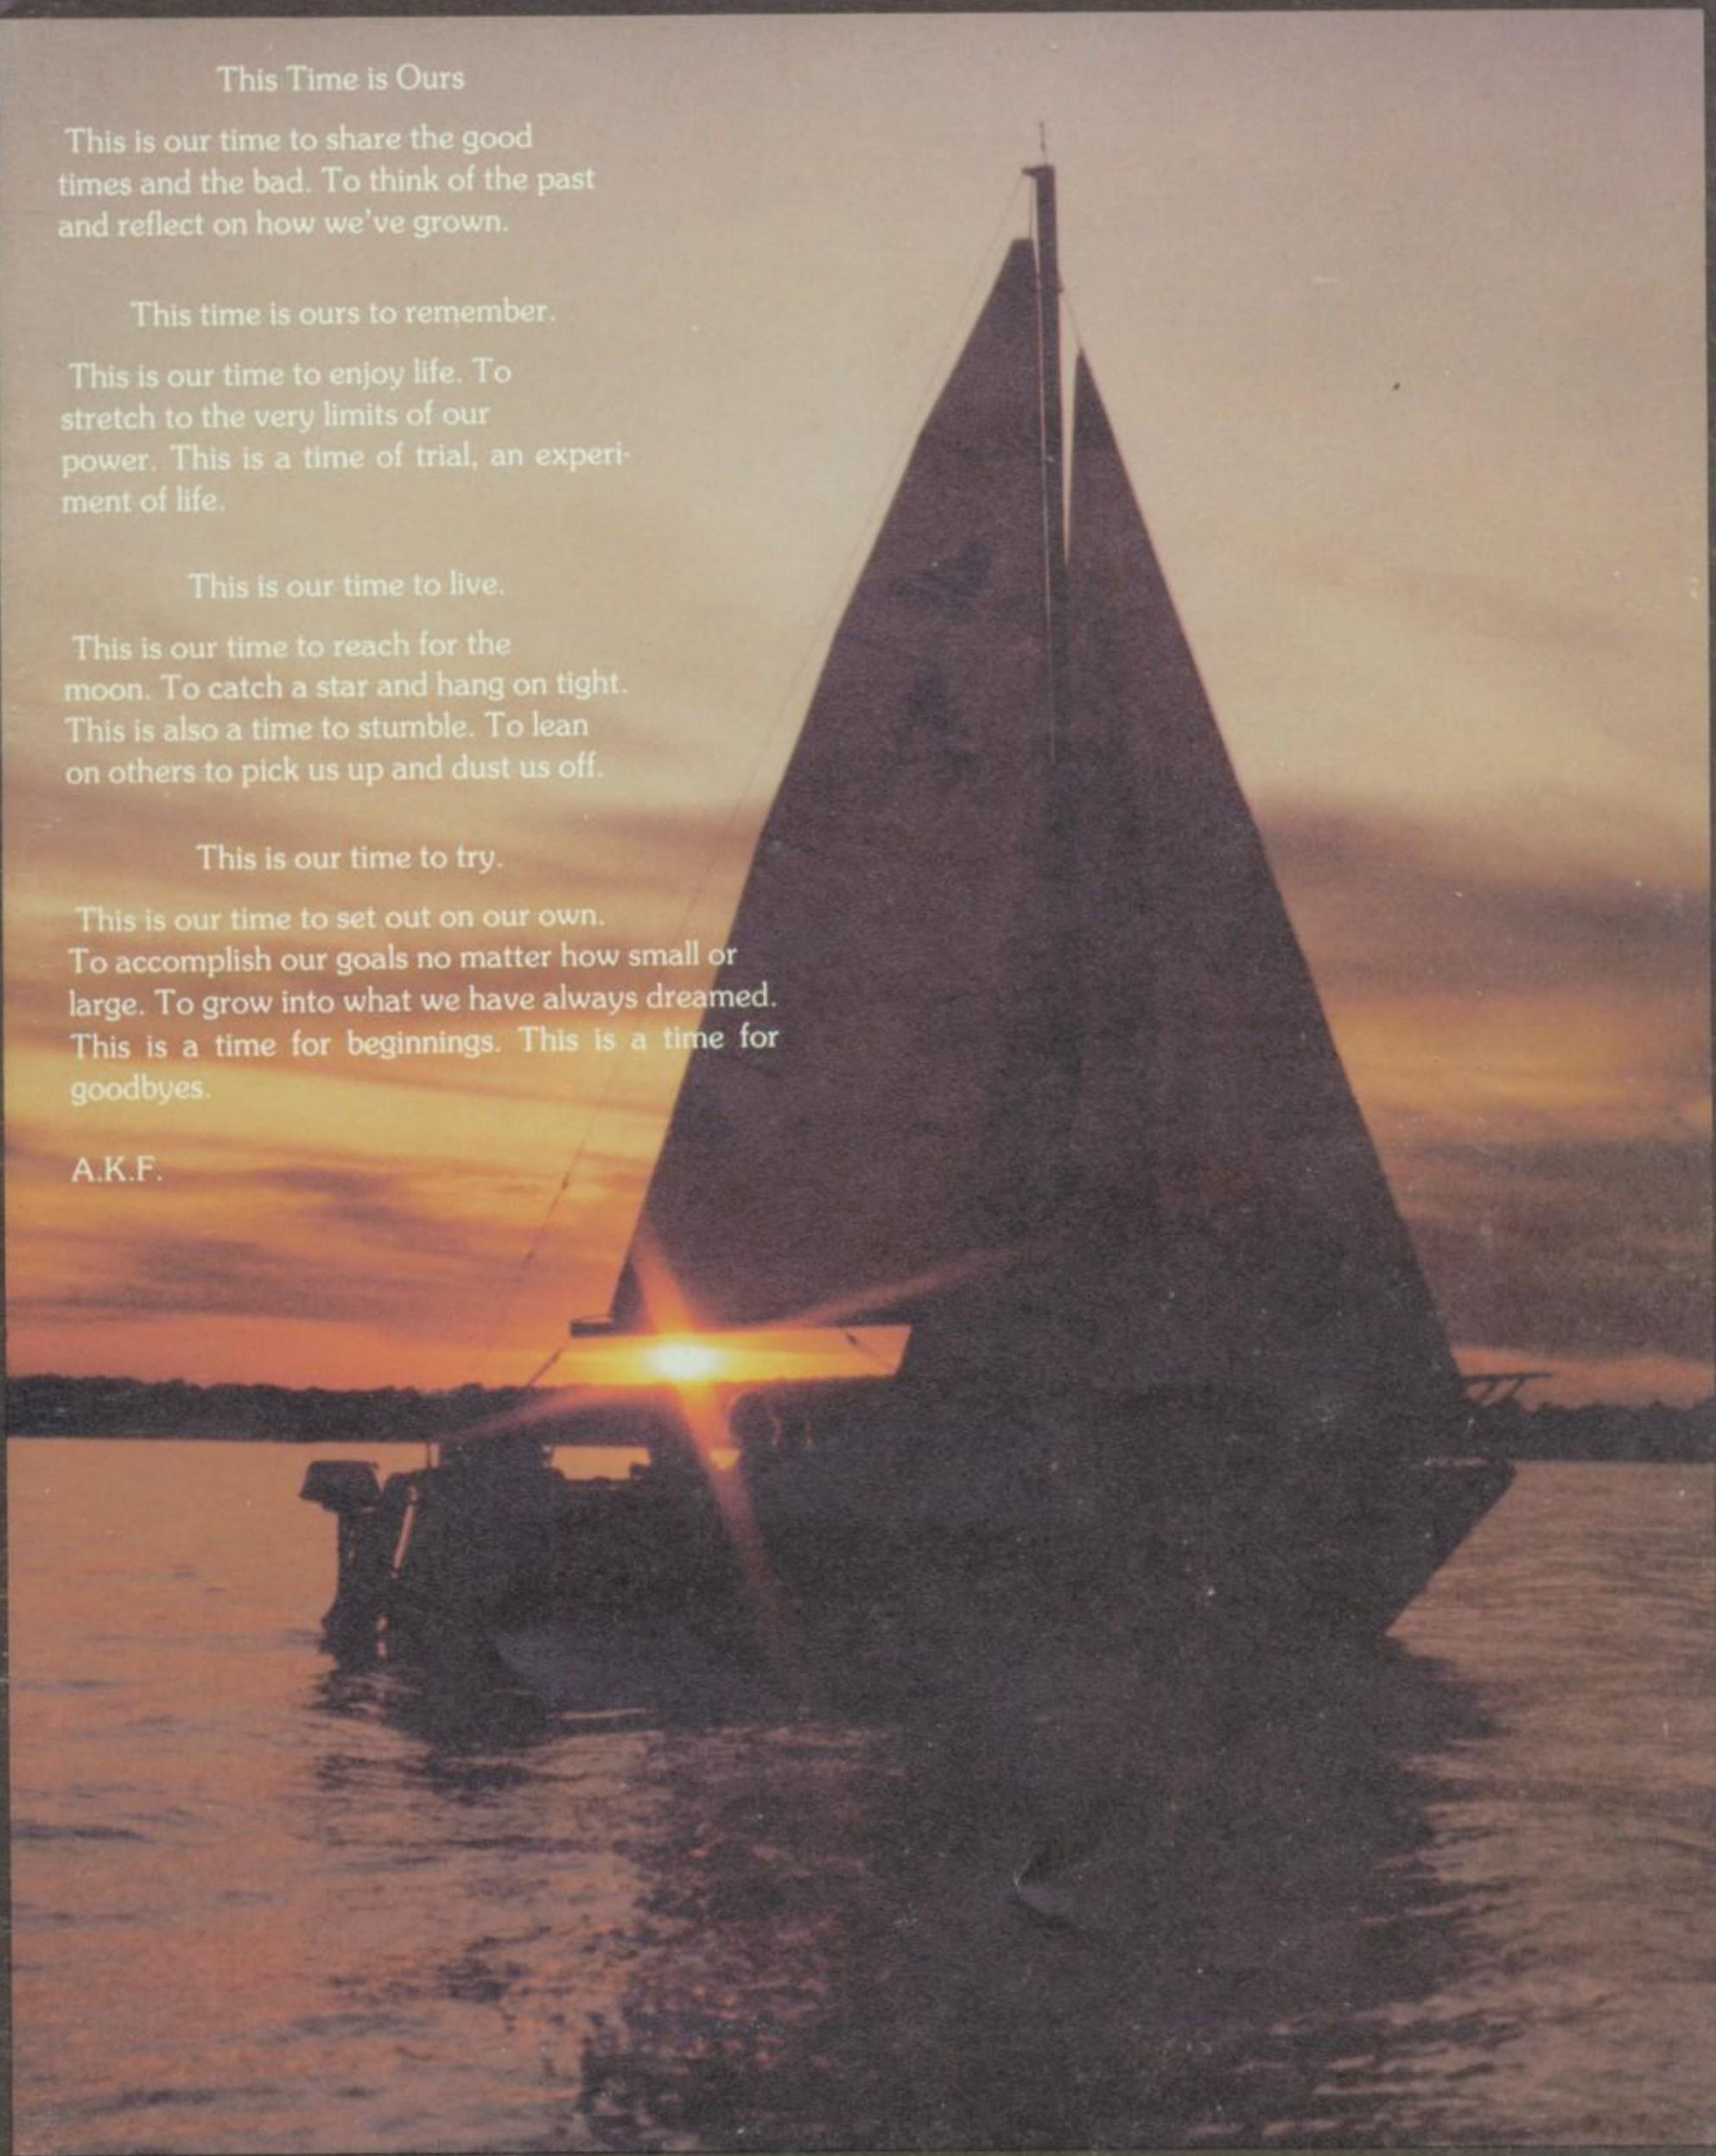

This is our time to live.

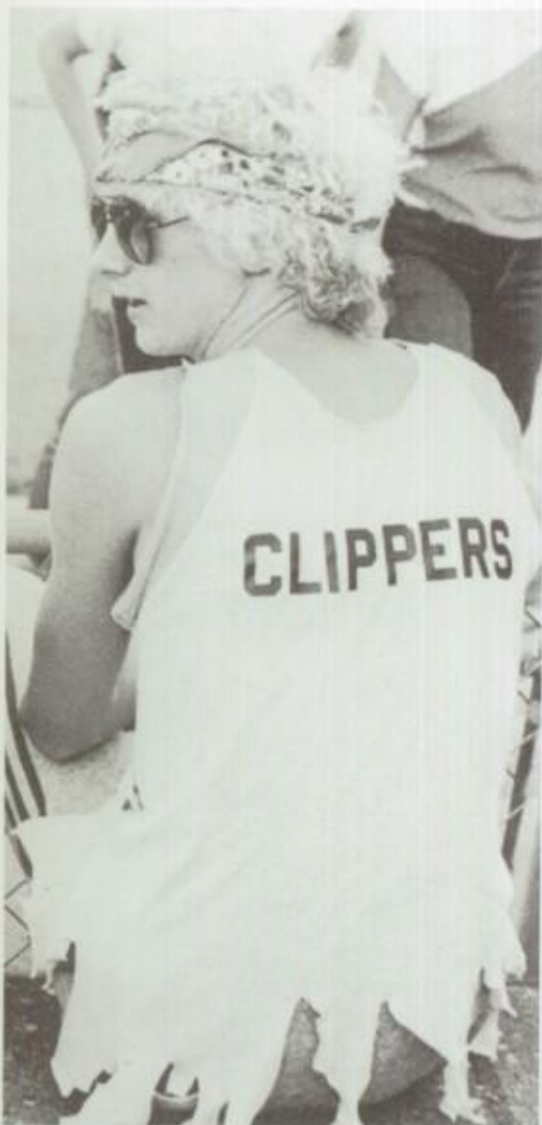

This is our time to reach for the moon. To catch a star and hang on tight. This is also a time to stumble. To lean on others to pick us up and dust us off.

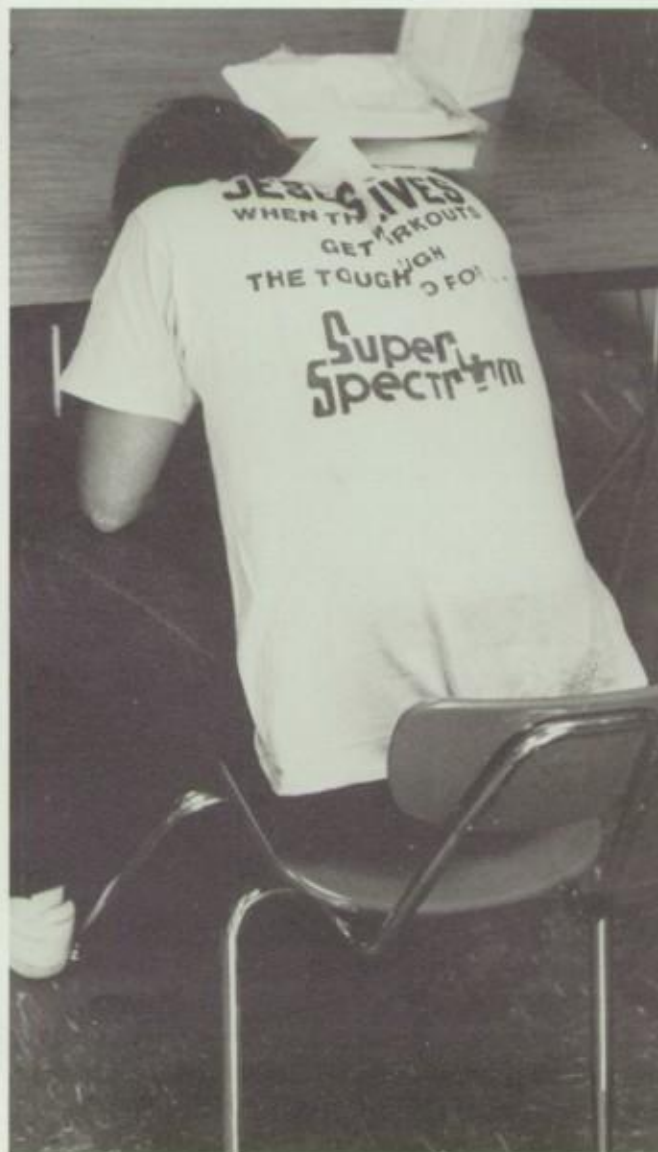

This is our time to try.

This is our time to set out on our own. To accomplish our goals no matter how small or large. To grow into what we have always dreamed. This is a time for beginnings. This is a time for goodbyes.

A.K.F.

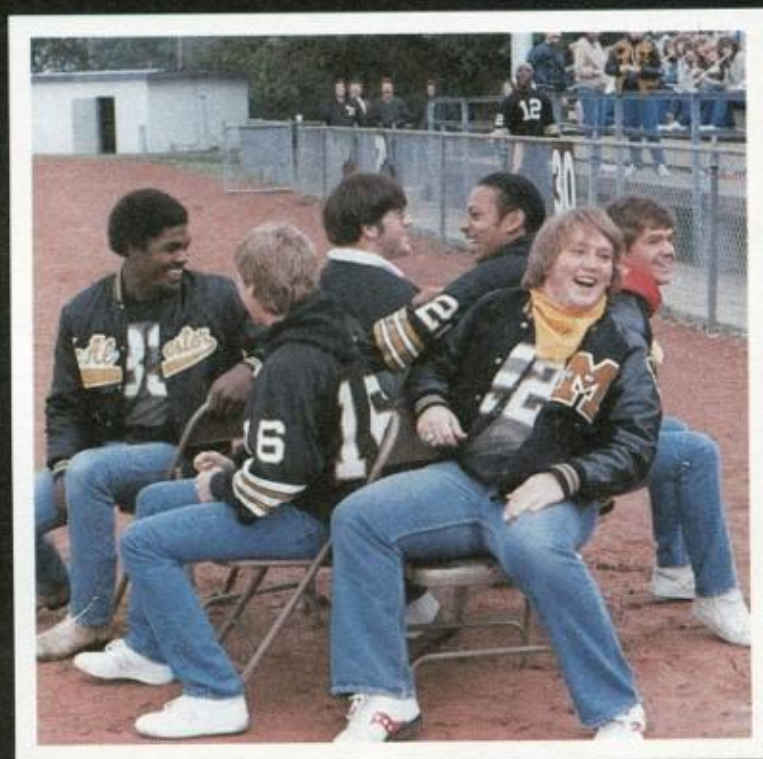

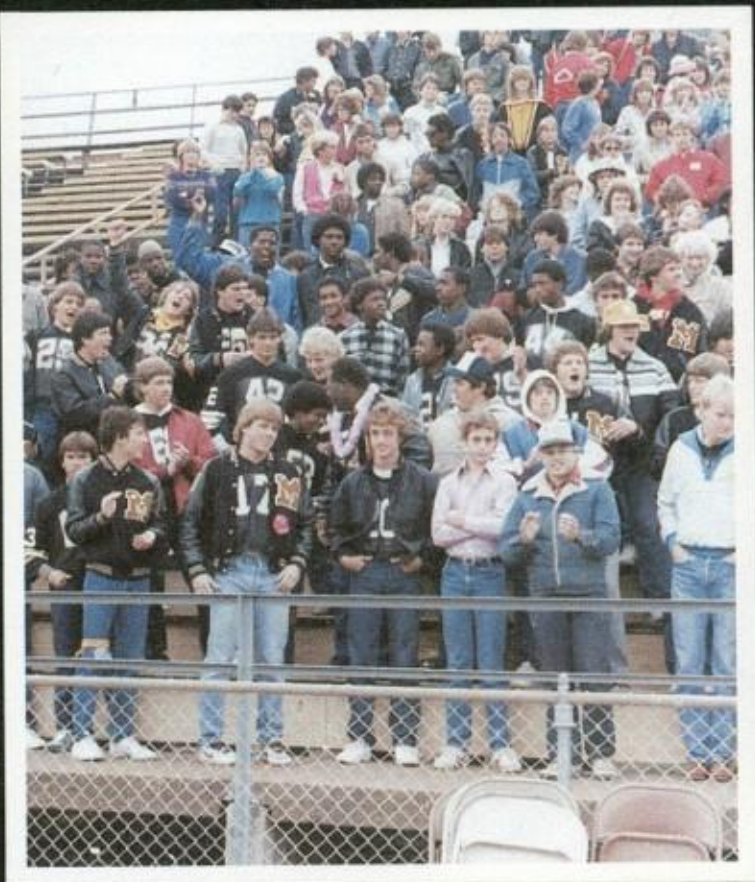

This time is ours and we're only at the start.
Maybe one day we'll have to part, but since you and
I can't reeve the stars let's be glad that this time is
ours.

Jason,
 a great guy who
 has been a great

This time is ours for as long as it's meant to last.
Let's pray that time doesn't move too fast. When
you love how quickly the moments pass.

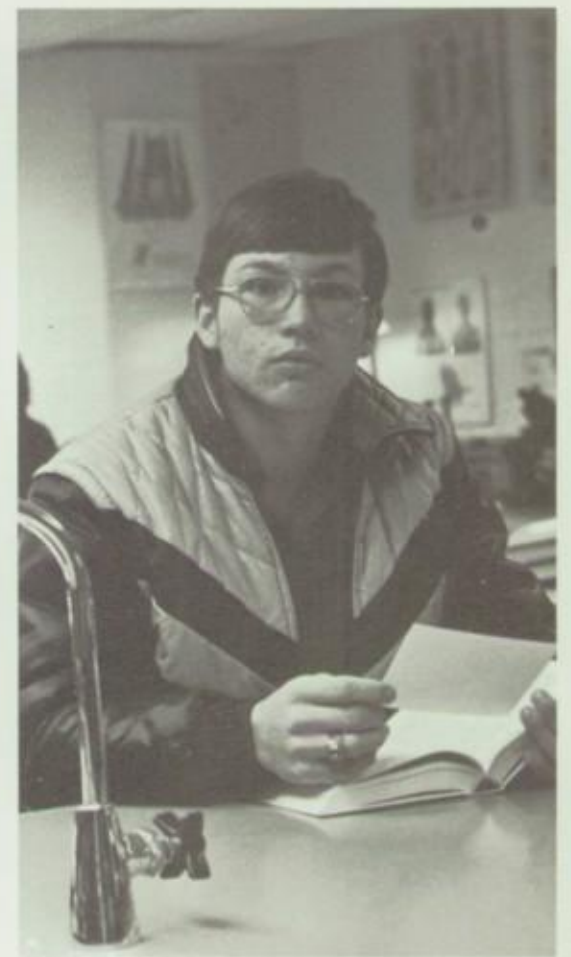

We've won some and we've lost
some, but us dreamers don't
complain. We keep reaching for
success no matter what the pain.

How great it is when we all discover
that special someone with whom you
share your sorrows. It lifts your spirits
right up to the sky. Let's pray that this
feeling will never die.

The McAlester Buffaloes opened their '84 season at home this year. The Buffs made quick work of the Ardmore Tigers with a 35-8 victory over the Tigers. Now McAlester traveled to Ada to take on their arch rivals. At the end of four quarters of play, the score was tied 14-14. Ada scored on their third play, however, McAlester failed to score and Ada won in overtime 21-14.

BUFFS ON

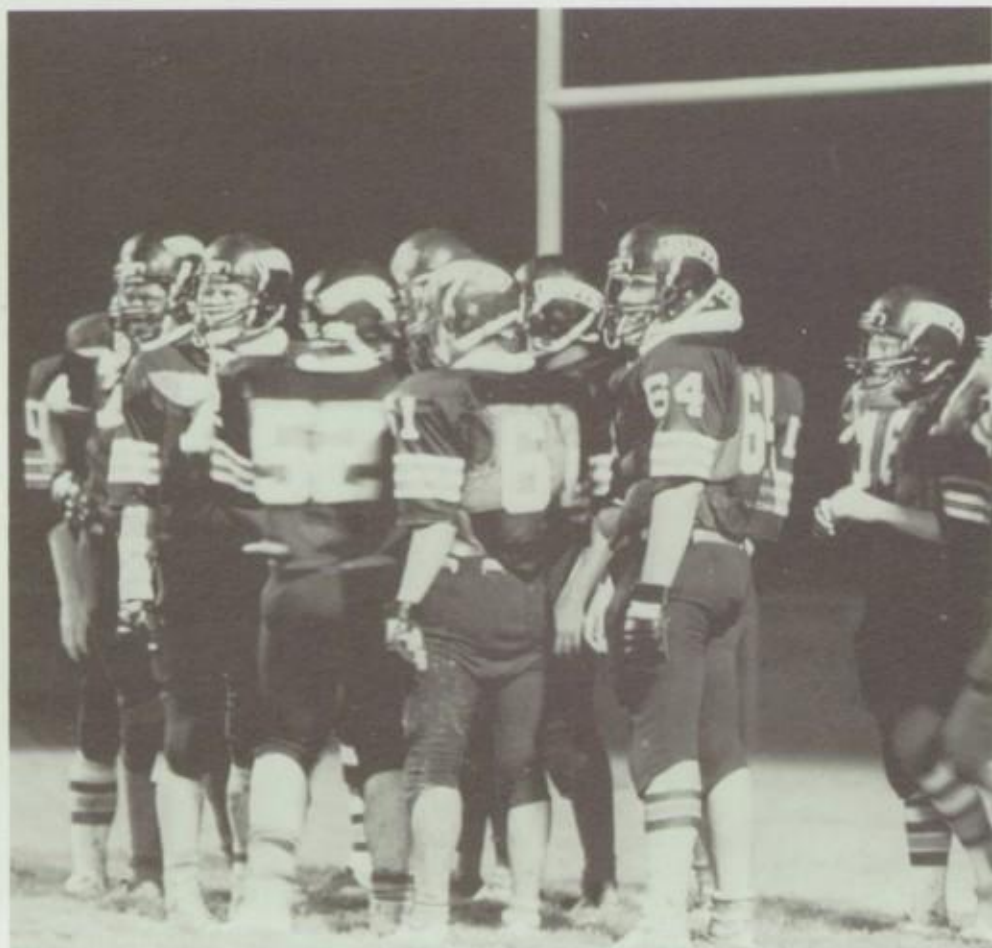

The Buffs were again on the road, this time they traveled to Wewoka. They were little match for McAlester and were easily defeated 28-7. Muskogee took on the Buffs next, but were soundly defeated 14-0. It was now mid-season and the undefeated, number 1 ranked, 5A Tulsa Washington was in town. In a thunderstorm, McAlester crushed Tulsa 6-0. After beating Tulsa, the Buffs journeyed to Idabel, where they quickly overcame Idabel 21-6.

Shawnee sneaked into town and stole a win from the Buffs by a score of 16-0. District play now started, and McAlester opened up on a bad note. They lost to Durant at Durant 27-15. Having lost the previous the week, the Buffs took their anger out on Okmulgee. McAlester won by a score of 21-8.

GO RAMPAGE

The Buffs now faced The Broken Bow Tigers, this game would decide who would go to the playoffs. Broken Bow smashed the Buffs' playoff hopes by defeating them 31-7. McAlester finished the season with a 6-4 mark.

Bufs and Ladies Shoot

Buff fans were not disappointed with their 1984-85 Buffaloes. This was a very exciting season consisting of anything from very tight squeezes to blow-outs. We had talent and composure and have shown that we may even be the best in state.

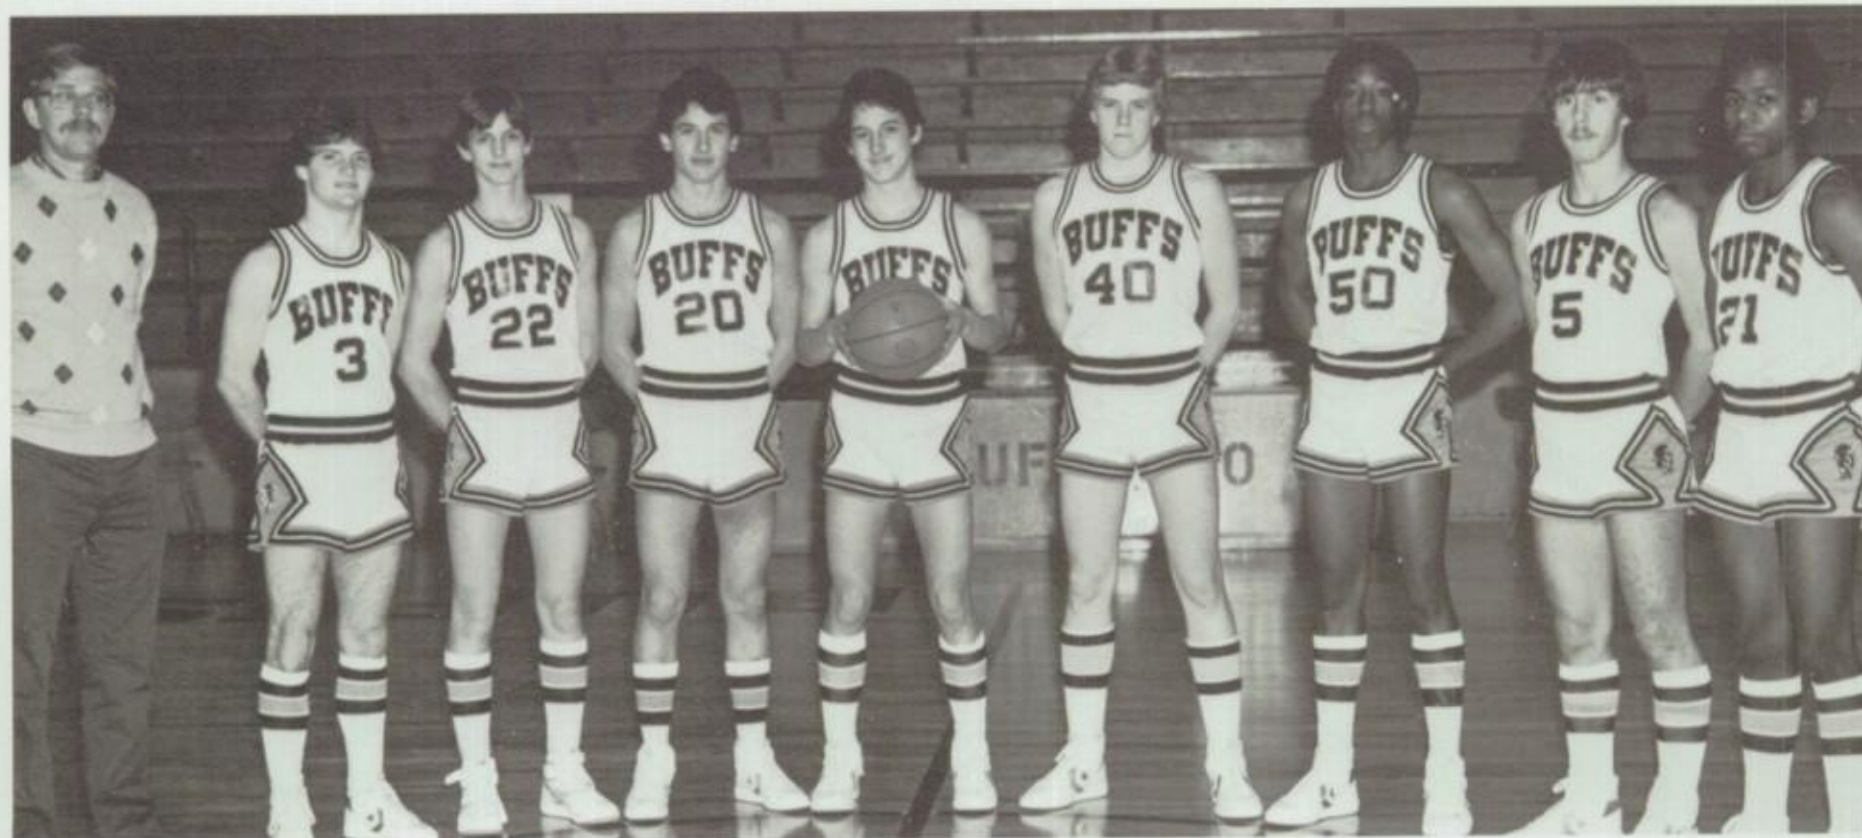

For Success

The Lady Buffs also had talent this year. With the new season came new struggles, but the Lady Buffs never gave up. Frustrations never ceased yet we showed what we were made of in places like the Durant tournament where we came in third. Looking back on the 1985 season we must say, "Fond memories and no regrets."

Coach Nelson

Jason,

I really like you a lot.
 You're so funny. & you made
 Mrs Corders class a little better!
 You're so cute. You're a good wrestler
 too! Love, Missy Wren! SR87

This year McAlester returns nine var-
 sity wrestlers from last year. Of this nine,
 three placed in the state with Kyle
 Rosebure as the state champion at 115
 lbs. As usual the McAlester Wrestling
 team possesses an impressive array of
 talent, and is looking forward to another
 awesome season.

Just we've been friends
 since 5th grade. We've wrestled
 together, worked together, but we
 had a lot of trouble a bunch
 of times. Love,
 Jason

SENIORS: L to R — Jeff Dew; Monty Johnson; Matt Fitter; Scott McKnight;
 Coach Nelson.

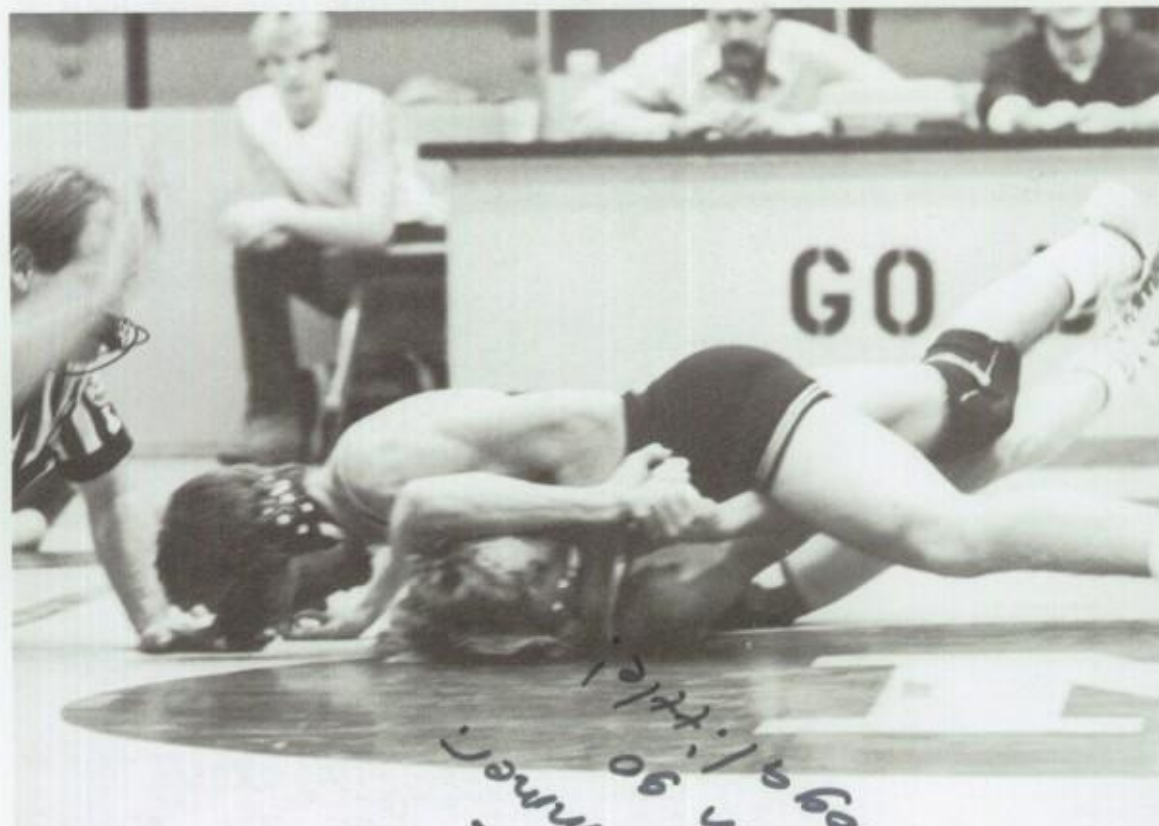

WILLIAMS AND ROSEBURE ARE STATE CHAMPIONS

James Williams, MHS junior,
 took the state 3A Heavyweight
 championship. 16 year-old
 sophomore Kyle Rosebure won
 the state honors at 123 pounds,
 and Jeff Due MHS senior placed
 third in the state tournament.

WRESTLERS PIN

Newspaper students were responsible for shooting, developing, and printing their own pictures, and each Friday they faithfully traveled to The News-Capital and Democrat to "paste up" their page, which reached over 12,500 homes each Sunday.

It is a great honor to become a good citizen of the McAlester High School. This year's good citizens were elected by the whole student body. Each campus elected a boy and a girl. Being elected good citizen means you have demonstrated great leadership and dependability.

1985 OKLAHOMA HONOR SOCIETY

The Oklahoma Honor Society includes the top ten percent of the students based on their grades from the last semester of last year and the first semester of this year. For freshmen, the only grades considered are for the first semester of the Ninth grade. To be included in the Oklahoma Honor Society for 1985, your average must be 3.83 or above.

Goodbye MHS . . . Hello World!

The Class of 1985.

THE REASON FOR THE RABBIT

Have you ever wondered why our yearbook is called The Dancing Rabbit? Why is our mascot a buffalo and our yearbook a rabbit? It's all because of a treaty. The Dancing Rabbit Treaty was signed in 1830. It was an agreement between the U.S. Government and the Choctaw and Creek Indians. This agreement stated that a portion of land west of the Mississippi River was to be granted to the Choctaws and Creeks. The limits of the Choctaw Nation were based upon this treaty. The title to the land upon which the Old Downtown Campus stands rests upon the Dancing Rabbit Treaty, and for this reason it was seen fit to give the name "Dancing Rabbit" to our annual.
